LOU REED

Numéro 1, la suite en
45 tours ...

Lou Reed, notre brochure fétiche se renouvelle dans la totalité jusqu'aux 45 tours.

On profite des vacances pour faire un petit ravalement, de nouvelles mises à jour des cotes qui ont évoluées depuis le départ prématuré de l'une de mes stars préférées.

On ne va pas s'arrêter en cours et continuons l'aventure avec les moyens du bord en attendant "le sponsor" salvateur.

Rockandroll'ment votre
Baron von H.

LOU REED

Number 1, after
45 laps ...

Lou Reed, our fetish brochure is renewed in full until the 45s.

We enjoy a vacation for a little facelift, new updates odds that have evolved since the early departure of one of my favorite stars.

We will not stop in the middle and continue the adventure with shoestrings pending «sponsor» savior.

Rockandroll'ment your
Baron von H.

CODE	TRADUCTION	ÉTAT COUVERTURE	ÉTAT VINYLE
S	Neuf (scellé)	Le disque est encore sous son emballage d'origine.	Le disque est encore sous son emballage d'origine.
M	Comme neuf	La pochette est comme neuve, mais elle n'est plus scellée.	Le disque est absolument parfait, comme neuf, mais il n'est plus scellé.
NM	Parfait	La pochette est parfaite, pouvant néanmoins comporter de très minimes signes d'usure. Par contre, le dessin artistique ou la photo doivent être aussi impeccables que possible.	Le disque est parfait. Un frottement peut être constaté sur le disque, mais doit être vraiment moindre. Il ne doit y avoir aucun effet sur la qualité sonore du disque. Si c'est le cas, même minime, il ne pourra plus être considéré comme NM.
EX	Excellent	La pochette peut avoir quelques très discrètes rayures et/ou des petits plis.	Le disque montre des signes d'avoir été joué (marques lumineuses sensibles), mais la perte de qualité sonore est pratiquement inaudible.
VG+	Très bon	La pochette présente des signes de manipulations évidentes : extrémité légèrement cornée, étiquette du prix, plis. Mais aucun défaut majeur. Il se peut aussi qu'elle soit en parfait état mais présente un poinçon ou une extrémité biseautée.	C'est l'état le plus courant des disques de deuxième main. Les disques ont quelques rayures qui n'affectent pas la qualité sonore. Certains crépitements peuvent être audibles sur des platines très sensibles.
VG-	Bon	La pochette est usée avec des plis, des marques, des décollements, une usure des bords, des décolorations, un début de marque circulaire du disque sur la pochette.	Le disque a des rayures et marques qui affectent la qualité sonore avec éventuellement quelques craquements et/ou sautements sur quelques pistes.
G	Passable	L'état de la pochette est proche de celui de VG- avec en plus des écritures, un papier gondolé à cause de l'humidité, des déchirures et/sur les bords ...	La qualité du son est détériorée par les nombreuses lectures, il y a du souffle, des sautements ou des craquements répétés et nuisibles. On ne distingue pratiquement plus les sillons du disque.
B	Mauvais	La pochette est très abîmée avec des déchirures, des traces et marques d'usure un peu partout.	Le disque n'est plus jouable correctement à cause des trop nombreuses rayures et défauts de surface. Le disque peut être cassé, dans ce cas il mérite sa place au catalogue uniquement s'il est rare.
NA	Non applicable	La pochette est manquante ou ce code n'est pas applicable à ce type d'articles (Pochette neutre blanche ou noire, livres, merchandising, ...).	Le disque est manquant ou ce code n'est pas applicable à ce type d'articles (livres, merchandising, ...).

CODE	TRADUCTION	STATE COVERAGE	STATE VINYL
S	Nine (sealed)	The disc is still in its original packaging.	The disc is still in its original packaging.
M	Like new	The cover is like new, but it is not sealed.	The disc is absolutely perfect, like new, but it is no longer sealed.
NM	Perfect	The cover is perfect, however, may have very minimal signs of wear. By cons, line art drawing or photo must be as flawless as possible.	The disc is perfect. Friction can be found on the disk, but must be really low. There should be no effect on the sound quality of the disc. If so, however small, it can no longer be considered NM.
EX	Excellent	The cover may have some very discreet stripes and / or small folds.	The disc shows signs of having been played (light sensitive brands), but the loss of sound quality is inaudible.
VG+	Very Good	The cover shows signs of obvious manipulations: tip slightly horny, price tag, folds. But any major fault. It is also possible that it is in perfect condition but has a Poinçon or a beveled end.	It is the state the most common second hand discs. The discs have some scratches that do not affect sound quality. Some crackles may be audible on sensitive plates.
VG-	Good	The cover is worn with creases, marks, delamination, edge wear, discoloration, a circular mark the beginning of the disk on the cover.	The disc has scratches and marks that affect the sound quality with possibly some cracking and / or jump on some tracks.
G	Fair	The state of the cover is similar to that of VG-plus entries, a curled paper due to moisture, tears and / on the edge ...	The sound quality is deteriorated by the many readings, there is breath, jumps or repeated cracking and damaging. Can be distinguished practically the grooves of the disc.
B	Bad	The cover is very worn with tears, wear marks and traces everywhere.	The disc is not playable correctly because of too many scratches and surface defects. The disc can be broken in this case it deserves its place in the catalog only if it is rare.
NA	Not Relevant	The cover is missing or this code shall not apply to such articles (neutral white or black bag, books, merchandising ...).	The disk is missing or this code does not apply to such items (books, merchandising, ...).

LOU REED

BIBLIOGRAPHIE

Lou Reed (de son vrai nom *Lewis Alan Reed*, né le 2 mars 1942 à Brooklyn, New York) est un artiste américain qui a débuté sa carrière avec le groupe **The Velvet Underground**.

Il y occupait les postes de guitariste, chanteur et a composé nombre de titres restés populaires même après la séparation du groupe en 1970. Le **Velvet Underground** a influencé plusieurs générations de compositeurs, bien que n'ayant connu que peu de succès commercial dans les sixties.

On attribue à **Brian Eno** la remarque selon laquelle si juste quelques milliers de fans achetèrent le premier disque du **Velvet Underground**, chacun de ces derniers créèrent un groupe. C'est en cela que **Lou Reed** et le **Velvet Underground** restent aussi légendaires malgré la quasi-inexistence de tubes, contrairement aux autres groupes influents de cette époque. **Lou Reed** fait partie des icônes du rock même si son succès commercial fut moindre que d'autres artistes qui ont forgé l'histoire du rock comme **Bob Dylan**, **Bruce Springsteen** ou **John Lennon**.

Ses textes et sa musique ont beau être percutants, leur noirceur (qui atteint son apogée dans l'album **Berlin**) ne lui apporte aucun succès commercial. Sa voix en parlé/chanté est une autre "marque de fabrique" de **Lou Reed**.

Lou Reed "Prince de la Nuit et des Angoisses" obtint pourtant un réel succès commercial avec un titre, très sombre et osé **Walk on the Wild Side**.

LOU REED

BIBLIOGRAPHY

Lou Reed (whose real name *Lewis Alan Reed*, born March 2, 1942 in Brooklyn, New York) is an American artist who began his career with **The Velvet Underground**.

He held the positions of guitarist, singer and has composed many titles remained popular even after the band split in 1970. **The Velvet Underground** has influenced generations of composers, although it has seen little commercial success in the sixties.

Brian Eno is credited with the remark that if just a few thousand fans bought the first album of **Velvet Underground**, each of them created a group. This is where **Lou Reed** and *the Velvet Underground* are also legendary, despite the virtual absence of tubing, unlike other influential groups of that era. **Lou Reed** is one of rock icons even though its commercial success was less than other artists who have shaped the history of rock like **Bob Dylan**, **Bruce Springsteen** and **John Lennon**.

His lyrics and his music have'm hitting, their blackness (which culminated in the album *Berlin*) brings him no commercial success. His voice in spoken / sung is another «Trademark» of **Lou Reed**.

Lou Reed «Prince of the Night and Anxiety» yet obtained a real commercial success with a title, very dark and daring **Walk on the Wild Side**.
